CARBONDALE, ILLINOIS BASED EMAC, INC. JOINS LARGEST-EVER

U.S. BUSINESS DELEGATION TO 2016 HANNOVER MESSE

Carbondale, Illinois — EMAC, Inc. announced today that it is part of the largest-ever U.S. delegation to Hannover Messe, the world's foremost trade fair for industrial technology, taking place April 25-29, in Hannover, Germany. For the first time in the Fair's history, the United States will be the Partner Country, a status that provides the more than 390 businesses and organizations in the U.S. delegation an unprecedented opportunity to be prominently featured throughout the event. President Obama will also participate in this year's event, themed "Integrated Industry-Discover Solutions."

EMAC, inc. will exhibit in Hall 11, Stand C69-1 of the USA Pavilion at the show.

"The U.S. business community and the Department of Commerce have a clear message for the world: the United States is open for business. We will demonstrate and deliver on that message at the 2016 Hannover Messe," said U.S. Secretary of Commerce Penny Pritzker. "We are proud to have some of America's most innovative and forward-thinking manufacturers of industrial automation and embedded systems joining the U.S. delegation at this year's fair."

EMAC, inc. (Equipment Monitor And Control) designs, manufactures, integrates and distributes, Single Board Computers (SBCs), System on Modules (SoMs) & Carrier Boards, Industrial Panel PCs (PPCs), Embedded Servers and Custom Solutions for the Embedded marketplace.

Jeffrey Young, EMAC, Inc. Sales and Marketing Manager said "We are excited to be a part of the first-ever USA Partner Country presence

at Hannover Messe and look forward to making the most of this opportunity.”

Hannover Messe typically hosts more than 200,000 attendees from more than 70 countries, including global investors, buyers, distributors, resellers and government officials.
