Method of Shipment

Shipping Charges are calculated based on UPS shipping rates and added to your invoice. These fees are based on dimension, weight, value, and the number of packages. EMAC, inc. ships to the United States (including Alaska and Hawaii) and most U.S. Territories. Alternately we can ship your order on your Shipper's account, please provide this information on your Purchase Order.

Domestic orders are sent via United Parcel Service (UPS). When your order is completed and has been picked up by UPS, a confirmation email is sent to the email address you have provided. Included in that email is a UPS tracking number. If you do not receive your UPS

notification, please check your spam folder or contact our Customer Service Representatives at 618-529-4525 or info@emacinc.com with

your Purchase Order number or Sales order number handy.

You will receive your UPS Ground order within 3-7 business days after it ships. UPS will e-mail you a tracking number when your order ships.

Note:

UPS does not deliver to P.O. boxes

Army Post Office (APO) and Fleet Post Office (FPO) addresses are not accepted by UPS.

UPS requires a signature upon delivery of shipments over \$400.

UPS will not provide service guarantee adjustments for late deliveries due to inclement weather.

For UPS Residential Delivery, add \$5.00.

PLEASE NOTE: To ship same day, the order must be entered and available to ship by 10:30 AM CST. All orders entered after 10:30 AM CST will ship the following business day. Please be certain to speak with a sales representative about lead time and availability before placing your order.
