EMAC is launching a Manufacturers Representative and International Distribution program in May of 2016.

Step 1 - Request and Fill out the Application.

Step 2 - Return the completed Application via Fax to 618-457-0110.

Step 3 - If approved, review the Terms and Conditions and Sign the contract that provides additional details on the program.

Step 4 - Upon completion of the required training, you will receive a login and temporary password to our portal page.

This will give you additional access to our marketing materials, datasheets, product manuals, powerpoints, videos, templates, and customer registration/NEDA forms.
