EMAC, Inc. will be exhibiting in Booth #909 at the Sensors Midwest Expo & Conference on September 27-28, 2016 at the Donald E. Stephens Convention Center in Rosemont, Illinois

As the growth of the sensors market continues to expand and grow, Sensors Midwest will bring together thousands of engineers in the Midwest marketplace, looking for access to the latest sensor technology advancements and opportunities to connect with the area's greatest technology leaders and suppliers. The free Attendee Pass is all-inclusive and provides access to the Expo Floor, Educational Theaters, Networking Events, and to the SMTA International Expo Floor.

We are pleased to announce that Sensors is co-locating with SMTA International, the industry's top conference on electronics assembly and advanced packaging, for a 2-day sensors event featuring education, networking, and a packed Expo Floor. Similar to the annual Sensors Expo & Conference, Sensors Midwest will focus on the latest sensor technologies including Embedded Systems, IoT, MEMS, Robotics, Wireless, and much more!
